YOUR VOTE MATTERS!

Stop One Party rule in Oregon!

VOTE FOR LOWER TAXES, RESPONSIBLE GOVERNMENT, AND LOCAL CONTROL

This election is critical! Democrats are one vote away from a super majority in Salem, able to pass any law or tax they want. They are one vote away from giving Portland total control of the state. Don’t let that happen!! Hardworking Oregonians across the state are counting on your vote!

BalloT MEASURES
- The Jackson County Republican Party generally is opposed to new or increased taxes. The JCRP also believes in smaller government and local control.

Measure 103: Amends Constitution: Prohibits taxes/fees based on transactions for "groceries" (defined) enacted or amended after September 2017 Vote No. A stealth measure, Measure 103 could be used as cover to ease the way for a General Sales Tax on non-grocery items.

Measure 104: Amends Constitution: Expands (beyond taxes) application of requirement that three-fifths legislative majority approve bills raising revenue. Vote Yes. Closes ability of legislature to increase fees without a three-fifths majority.

Measure 105: Repeals law limiting use of state/local law enforcement resources to enforce federal immigration laws. Vote Yes.

Measure 106: Prohibits spending "public funds" directly/indirectly for "abortion" (terms defined); provides exceptions as in Federal law. Vote Yes. Note that passing this measure will not make abortions illegal.

Measure 15-181: Jackson County Home Rule “Right to Bear Arms Amendment” Vote Yes
